Christmas celebration 2020 at Crescendo primary school

2020, a special year, will end in a unique way. We try to celebrate this Christmas on Crescendo as festive as possible for and with our pupils. Naturally, we observe all Corona measures. GGD Amsterdam has given a number of guidelines for celebrating Christmas at school "Corona proof". Unfortunately, this takes away many of the annual traditions that make Crescendo so special around Christmas.

The most important regulations of GGD Amsterdam are:

- Parents are not allowed to enter the school;
- Parents are not allowed to go to the church service on Thursday 17/12;
- No meals or snacks by parents and / or children (at home) for the whole class;
- Children over 12 years of age are not allowed to sing.

Christmas brunch

On Wednesday December 16, all students have a Christmas brunch in the classroom. Each teacher buys food and drinks for their own class. The school also provides the decoration in the form of plates, cups, cutlery and table runners so that festive tables can be made.

Good to know: The school uses the annual parental contribution for the Christmas brunch. Almost 90% of the parents have not yet paid this year's parental contribution. If you haven't paid yet: Do you want to transfer this money as soon as possible?

Church service

Thursday December 17 there will be a Christmas celebration in the church. Because of Corona, the students are divided into three groups. Children up to the age of 12 are allowed to sing. Each class is busy preparing a Christmas carol. Because there are parents who have indicated that they object if photo / video images are shared, we do not share recordings of this meeting.

Friday December 18

The children are also out at 2 pm on the last day of school before the holidays. It is a normal school day. At the end of the day, the students help prepare their classroom for holidays.

The next page shows the Christmas week schedule per day.

On behalf of the Crescendo team,

Regards,

Frank Zopfi (managing director)
