

Lockdown

14-12-2020

Dear Parents Guardians,

As you may have heard and read, the school will close on Wednesday December 16, 2020. This is a measure taken by the Dutch government and will last at least until Tuesday 19 January 2021. As a school, we try to respond to this situation as well as possible.

Bring your children a sturdy bag to school for school tomorrow morning, December 15, 2020.

Your children are at home during the lockdown. Your children's curriculum is as follows until the Christmas holidays: Wednesday December 16 to Friday December 18:

- Students are given tasks to finish at home. The days before the Christmas holidays, new teaching material is never started. The students are busy with repetitive material.
- The course material is enough for three days of working from home. Alternate working from home with other activities. Think of taking a walk, playing balls or running.
- Until the Christmas holidays, students can ask their own teacher for help with schoolwork between 9 am and 11 am.

After the Christmas holidays, virtual school will start on Monday January 4, 2021. The school building is still closed. From this day on, your child will be taught remotely. Do you have an internet connection or WiFi? IF NOT, contact the school.

On behalf of the Crescendo team,
Sincerely,

Frank Zopfi (directeur)
